Gobo Shot 50W IRC

Gobo Shot 50W IRC is a powerful, DMX-controllable gobo projector powered by a 50-watt LED. It features a hinged gobo door for quick, easy gobo changes and includes 10 popular gobos and a gel frame holder. For customized looks, easy to change, size D gobos allow for greater projected details. Heat-free LED power allows for use of custom gobos printed on transparency film. Use the built-in digital display or optional IRC remote to control the dimmer function as well as gobo rotation and direction. Gobo Shot 50W IRC fits best in the optional CHS-40 VIP Gear Bag for secure and convenient transportation.

En résumé

- Custom gobo projector with powerful 50 W LED
- Hinged gobo door for quick and easy gobo changes
- Easy to change, size D gobos allows greater projected details
- Control dimmer, gobo rotation and direction with the built-in digital display or optional IRC remote
