

# Freedom H1 IP ILS X4

Enjoy complete wireless freedom in a tiny package with this four-pack kit of ultra-compact outdoor-rated RGBAW+UV LED wash lights ready to go anywhere, indoors or out. Battery-operated Freedom H1 IP ILS X4 fixtures put a versatile tool for accent lighting in the palm of your hand along with a beam angle wide enough for perfect uplighting and downlighting looks. Run up to 8 hours at full output or 20 hours with a single color after each charging session with the included multi-charger. Easily attach their magnetic base to most metal surfaces and choose the control that suits your setup with built-in D-Fi transceiver, RF receiver, and OLED digital display.

## HIGHLIGHTS

- Outdoor-rated, palm-sized wash light perfect for highlighting small subjects
- Sold as a complete kit with 4 fixtures, multi-charger, and RFC remote
- Robust housing repels Mother Nature for temporary outdoor situations
- Accessory kit includes a round dome, square top, and white sleeves (sold separately)
- OLED display allows for full-text and easily changeable fixture settings
- Built-in RF receiver for wireless control using the RFC or RFC-XL optional remotes
- Built-in D-Fi transceiver wirelessly communicates with other D-Fi-enabled devices
- Magnetic base to easily mount the product to most metal surfaces
